HTAOR.org Website

We want to help you protect your business. Our HTAOR website is for YOU, our loyal agents. We encourage you to input your new and existing clients into our HTAOR.org website. Our ultimate goal is to keep you and your client's information secure. Not only do we keep your information protected, but our website also offers, Doctor Bios, Agent Newsletters, Physician Directory, and MA Benefits at a Glance.

Agent Survey

We care about our agents and we want to do better for you and your business. This month we will be reaching out to you in an effort to learn more about the services you receive from HealthTexas. We would like to know what we are doing right, and where we need improvement. Please take a moment to fill out our agent survey, we value your feedback. The survey will hit email boxes the month of February 2023.

American Heart Month

February is American Heart Month, we recognize Heart Month to focus on our cardiovascular health. American Heart Month shines a light on hypertension (high blood pressure), a leading risk factor for heart disease and stroke.
