

AGENT NEWSLETTER

April 2023

Chronic Plan Verification

Our Patient Navigators are available to assist in the diagnosis verification process for your clients on the Chronic Plan. When you enroll and notify us of your new client, please also provide the effective date so we meet the 60-day grace period deadline. At HealthTexas, our goal is to make enrollment as easy as possible for our agents. For more information or questions, contact anyone from our Agent Relations Team.

MA Patient Transportation

HealthTexas contracts with ModivCare for routine patient transportation. They are available for non-emergency trips to/from designated locations that include HealthTexas Clinics, Specialists, and Pharmacies. Our clinical and contact center teams assist your clients in scheduling their round-trip HealthTexas clinic visits. ModivCare offers wheelchair-accessible and stretcher transportation if needed.

Meals on Wheels Partnership!

HealthTexas partnered with Meals on Wheels San Antonio to deliver meals to our senior community on Tuesday, March 21st. HealthTexas doctors and associates alone delivered 286 meals that day. Delivering meals to a large community of seniors is no small task and when we asked our hardworking loyal agents for their help, they answered our call to help and volunteer. Thank you to all of our agents who volunteered and helped make a difference in our community.

Fiesta Medals

Who's ready for Fiesta? We are! The HealthTexas Fiesta Medal will be available in early April! Stay tuned on our social media channels or contact an Agent Relations team member to schedule a Fiesta event.
