Older Americans Month

May is National Older Americans Month when we recognize the achievements of older Americans and honor our older citizens. The theme for this year is Aging Unbound, which encourages us to view the full range of aging experiences while also promoting the importance of enjoying the fulfillment of life by paving our own unique paths as we get older. HealthTexas is proud to be the Presenting Sponsor of ProjectMEND's May Celebration of older adults! Join us on Wednesday, May 24, 2023, 10 am at Project MEND, 5015 Wurzbach Rd., 78238, and help us celebrate our older adults!
