Welcome Dr. Lauren Bishop

Lauren Bishop, MD
Family Medicine

Come meet our newest doctor at our Alamo Heights Clinic - Dr. Lauren Bishop! Dr. Bishop was born and raised in Grapevine, Texas and completed her Bachelors of Science at Baylor University. She then

attended Baylor College of Medicine in Houston and completed her Family Medicine residency at The University of Texas Health Science Center at San Antonio. During her residency program, she served as Academic Chief Resident. Dr. Bishop's meet and greet is scheduled for Tuesday, October 3rd at 10 am. We hope to see you there!

HealthTexas Referral Protocols

When your clients move from one medical group to another, they will require a new referral for any specialist appointments. We always want to provide our new patients with the best patient experience possible. Please keep this in mind when transferring patients to avoid delays in their continuation care.

Medicaid Renewal

Did you know our Patient Navigators can assist in renewing your client's Medicaid? We're noticing a trend in patients losing their Medicaid coverage. As you know, it's important that we help patients remember to renew their Medicaid so they can stay active on the Dual Plan, Let's work together to ensure your clients (and our patients) continue to have the coverage they need.

National Hispanic Heritage Month

September is National Hispanic Heritage Month, we recognize and celebrate the contribution, influence, diverse cultures, and extensive histories of the American Latino Community.
